

*All members of an ensemble must officially register with the Records Office. If ensemble member is a current student, they must register for credit through Self-Service or fill out an official Audit by the Add/Drop deadline of each semester they participate. Community members (including current Union faculty and staff) need to fill out the Music Ensemble Request form within two weeks of the start of their attendance, each semester they participate. Insurance waiver forms may be required for off-campus performances. There will be no registration fee for Community members.*
