These categories were developed by the U.S. government to describe groups to which individuals belong, identify with, or belong in the eyes of the community. The categories do not denote scientific definitions of anthropological origins. You are not required to answer these questions, but Union College is required to collect the data. First, select a racial group then state whether you consider yourself Hispanic or Latino.

[Explanation of Terminology](#)

Student Life Agreement

Union College is a Seventh-day Adventist Christian college. We believe God loves everyone equally and calls each person to a life dedicated to building a stronger connection to Him while loving and serving the people around us. To that end, we require our students to live by lifestyle and health principles that are outlined in a student life agreement you will be required to sign as a part of the enrollment process.

Student Life Agreement *

I wish to attend Union College and understand that as a part of the Union educational community, I will be asked to follow a student life agreement based on a Christian world view. I also give permission that this signature be used as a transcript release for previous schools I have attended.

Check all that apply.

- I have been convicted of or plead guilty or no contest to any criminal or military offense, excluding minor traffic violations?
- I have been academically dismissed from, declared ineligible to attend, or incurred disciplinary action at any previous institution?
